**SUBJECT:** Call for Nominations for 2024 Director's Awards, Texas A&M AgriLife Research

It is my pleasure to announce the call for nominations for the 2024 Texas A&M AgriLife Research Director's Awards. These awards seek to recognize and reward the achievements of individuals and collaborators with outstanding work to support our research mission. Meritorious accomplishments are recognized through 5 award categories which were established based on the recommendations of the center directors.

Your department/unit is invited to submit nominations by utilizing the electronic nomination form. Any employee with a Research appointment within Texas A&M AgriLife Research is eligible for nomination if he or she has been employed for at least 24 consecutive months before the date of nomination. (Exception: Team awards: One half of team members must have 24 consecutive months of service with 50% or more appointment to Texas A&M AgriLife Research to be eligible.) Units are limited to one nomination per award category. Additional information on the categories, eligibility, and criteria for selection is provided at the following website:
